

# Belkin Universal Cover 10 Inch

## UNIVERSAL PROTECTION FOR 10-INCH TABLETS

Made of durable polyurethane, our Universal Cover is slim, lightweight, and strong, with protective corners that stretch to hold most any 10-inch tablet securely. This tough case helps protect your tablet from bumps, scuffs, and dings.

## TAKE PHOTOS WITHOUT REMOVING CASE

An innovative fold-down flap provides easy access to your tablet's camera, letting you take pictures without removing the case.

## COMFORTABLE VIEWING AND TYPING ANGLES

This cover also serves as a convenient tablet stand with two angles. Place your tablet at an upright angle for watching movies or playing games, or tilt it back for increased comfort while typing.

## FOLDS FOR HANDHELD USE

The cover folds behind your tablet for handheld mode, which is ideal for reading, watching movies, or playing games.
