

Clarion™

Shock Absorbing Translucent Folio

Lightweight, durable, and shock resistant, the Incipio® Clarion™ Case is the perfect solution for straightforward folio-style protection. With its translucent and flexible TPU polymer design coupled with a rigid cover for frontal defense, the Clarion™ Case delivers reliable coverage for your device. When relaxing at home or working at the office, the lid can fold backwards to prop into a hands-free kickstand mode secured by a sturdy locking clip.

FEATURES

- Translucent, impact resistant Flex₂O™ TPU back lets your device show through
- Premium, rigid front cover features a sueded microfiber interior for gentle screen protection
- Flexible TPU material provides durable button protection and a shock absorbent raised frame
