

Highland®

Ultra-Thin Premium Folio with Brushed Aluminum Finish

Incipio's Highland® Case is a sophisticated folio with a sturdy, premium rigid textile front cover and a sleek brushed aluminum style finish. The folio's cover includes an interior slot to store your credit card or ID, and converts into kickstand mode for hands-free media viewing. Whether at the office or traveling on-the-go, the Highland® Case is the perfect blend of premium and lightweight folio protection.

FEATURES

- Rigid textile cover provides full protection and a refined look and feel.
- Hard shell snap-on back features a sleek brushed aluminum finish.
- Interior slot on the cover's interior provides convenient credit card or ID storage.
