

# NGP® [Advanced]

*Rugged Polymer Case*

Built to withstand tough drops yet sleek enough to slide comfortably into your pocket with ease, the NGP [Advanced] Case is the epitome of lightweight, powerful protection. Its textured back and bumper provide a sturdy grip while the honeycombed interior delivers enhanced drop protection through advanced shock dispersion. With a precision-engineered snug fit and tear-resistant design, the NGP [Advanced] Case ensures that your device is fully defended against whatever life throws at it.
