

Ghost 210

Qi Wireless Charging Base

Incipio's Ghost 210™ Wireless Charging Base uses Qi technology to allow you to effortlessly charge up to two devices without having to plug them in. Wireless charging is easy, as you just place one or two Qi enabled devices on the charging base and watch as your devices' batteries recharge. The Ghost 210™ Wireless Charging Base offers a sleek design that makes it easy to take anywhere and charge without the hassle of wires.
