

PLEX™

High Clarity Screen Protector

Protect your device's screen from daily wear and tear with Incipio's PLEX™ High Clarity Screen Protector. Designed to protect your device's screen from surface scratches with crystal clear clarity, you can also clean your device with the microfiber cloth with ease. Use the applicator card to smooth out any air bubbles for a flawless finish to keep your screen looking as pristine as the day you got it.

FEATURES

- The Incipio® PLEX™ screen protector provides crystal clear clarity for perfectly inconspicuous protection.
- Smooth to the touch with flawless touch screen accuracy.
- Helps shield against scratches and prevents smudges.
- Complete edge to edge coverage protection.
