

Breve™

Lightweight Wallet Folio

Designed for sophisticated protection, Incipio's Breve™ is a lightweight folio case that offers all-around device defense. The ultra-slim interior case is custom-fitted to your device, allowing for a quick and easy snap-on installation. In addition to functioning as a stand for hands-free viewing, the versatile front cover also consists of dual card slots and provides full screen coverage when closed. The Breve™ features a convenient magnetic closure to keep your device and card contents secure, so you can travel light and worry-free.

FEATURES

- Convenient dual slots to hold credit cards or ID.
- Interior snap-on case securely holds device in place.
- Magnetic fold-over closure provides added security.
- Hands-free viewing mode for a comfortable media streaming experience.
