

PRESTON

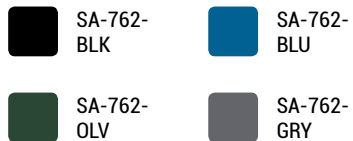

Co-molded Case Crafted with Chambray for Galaxy S®7

Elevate your style with the Incipio Esquire Series Preston Case. Expertly crafted for reliable protection and durability, the Esquire Series Preston Case features a sleek co-molded design comprised of a sturdy hard shell and shock absorbing polymer material. Complete with protective TPU button coverage and an ultra-soft chambray finish for superior comfort and sophistication, you'll never need to sacrifice style for protection again.

FEATURES

- Durable co-molded materials delivers long-lasting protection in a sleek and stylish design.
- Protect your phone in elegant style with the ultra-soft chambray finish.
- Impact-resistant TPU frame disperses shock from harsh bumps and drops.
- The raised bezel design prevents the screen from touching surfaces when placed face down to ensure your device stays safe.
