

# [Performance] Series

Level 2 - Dual Layered Drop Protection

Adding a second layer of defense to your device, the [Performance] Series Level 2 Case protects your device at impact. An integrated impact-ridge provides military-grade protection, while the outer scratch-resistant shell easily slips into pockets and bags. A slim case with dual-level defense, the [Performance] Series Level 2 Case delivers excellent drop protection without the bulk.

## FEATURES

- Scratch-resistant polycarbonate shell provides the ultimate protection at the moment of impact.
- Co-molded design offers excellent shock absorption for drops your device may encounter
- Integrated buttons shield the most delicate parts of your device.
- Impact-ridge bumper provides military-grade collision protection with stylish edge.
