

# [Performance] Series

Level 5 - Ultimate Drop Protection

Delivering 360-degree defense, the [Performance] Series Level 5 Case protects your device with military-grade strength. Shock is diffused at the moment of impact by way of the integrated impact-ridge, while the outer shell offers superior durability and scratch resistance. Keeping out dirt and dust, the anti-glare screen protector also guards the device against scratched glass and cracks. Complete with holster, the [Performance] Series Level 5 Case is the powerhouse of drop protection.

## FEATURES

- Includes a holster with padded interior and rotating clip for 360 degree rotation to accommodate all angles.
- Polycarbonate, co-molded outer shell and shock absorbing honeycomb interior provides rigid, scratch-resistant protection.
- Impact-ridge technology delivers stylish protection and damage dispersion at the moment of impact.
- Anti-glare and scratch resistant screen protector guards your device from the elements without hindering your device's functionality.
