

## Jabra Talk 2

Clear and reliable hands-free calling.

### HD Voice for clearer conversation

Enjoy HD Voice for a better call experience and premium sound anywhere, anytime. Compatible with Apple iOS and Android smartphones.

### Flexible Eargels for maximum comfort

Wear your headset with comfort all day, with soft and flexible Eargels. With multiple Eargels supplied, you can find the fit that is most secure for you.

### Up to 9 hours battery lets you talk all day

Get up to 9 hours of talk/music time on a single charge, for all day use when in the car or on-the-go, and up to 9 days standby time. Voice Guidance will let you know when it's time to recharge.

### Intuitive design

Jabra Talk 2 is easy-to-use with the on/off slide control, a dedicated battery LED to inform you when you need to recharge, and a Bluetooth LED to confirm your connection.

### Jabra Assist

Get more from your Jabra Talk 2 with the easy-to-use smartphone app, Jabra Assist. The setup guidance gives you step-by-step instructions on the pairing process and how to get the most out of your device. The Find My Jabra feature will geotag the last location where your headset was used.
