

## ENGINEERED FOR SUPERIOR SOUND

### LG TONE INFINIM™

The LG TONE INFINIM™ is the premium *Bluetooth*® wireless headset engineered for true audiophiles. Advanced features create an audio experience targeted to achieve the highest standard of listening — from music to phone calls to multimedia and everything in between. Tone Bass™ provides adjustable bass on the earbud, and Harman Kardon® Signature Sound comes through with crystal-clear quality and rich tones. Plus, Advanced Voice Capture™ solution pinpoints a caller's voice while reducing surrounding noise. A body-contoured and lightweight design help accent the premium features of the LG TONE INFINIM™, for a natural feel and elevated listening experience you won't find in other wireless headsets.
