

# MONSTER SUPERSTAR™ HOTSHOT™

## Little Speaker With Attitude™

Monsters come in all sizes! Our HotShot™ is a compact, portable Blue Tooth ready speaker with thunderous and downright surprisingly powerful sound. It has the performance standard set by Monster, which means you can expect the music to be reproduced faithfully even in this tiny package. HotShot™ is designed to take your music anywhere you go. It comes with a convenient carabiner (HOOK) to latch the speaker to your belt, backpack, tent, car, work desk, and virtually anywhere you are. HotShot™ features a full range driver capable of playing music remarkably loud, and also accurately. No product could be a HotShot™ without the right attitude. So, we offer you a variety of colors to select the exact HotShot™ to fit your mood and temperament. Consider owning a few to keep around the home, workplace, car or wherever you enjoy music.
