Why Invisible First-Defense Liquid Glass Screen Protector?

- Offers greater protection with a smoother touch
- 9H (Sapphire) hardness
- Nano technology creates an invisible protective coating
- Scratch resistant and anti-bacterial
- Universal fit, ideal for curved screens
- Easy, bubble-free application
- Product of Germany
- Certified by **SGS**, an independent 3rd party leader in inspection, verification, and testing

NANO Technology

Creates an **invisible protective coating** over the screen
