

Wireless Charging Convertible

Charge your Qi wireless charging enabled device* without connecting the device to a port or cable. Simply place the back of your phone on the wireless charger and wait for the charging notification to appear. A unique design enables switching between using the wireless charger as a charging pad or stand. The premium leather-like material blends seamlessly into your home décor.

Features

- Easily convert your wireless charger from a pad to a stand
- Use as a stand to read notifications or take calls without interrupting charging
- Fast Charge with up to 9 watt wireless charging, 1.8x more power output than standard wireless charging**
- Multiple charging coils for easy landscape or portrait device orientation
- Built in fan to cool your phone during fast charging

Package contents

- Fast Charge Wireless Charging Stand
- Fast Charge Wall Adapter and USB-C Cable†
- User Manual

Part #: EP-PG950TBEGUS (BLACK)

EP-PG950TDEGUS (TAN)

MSRP \$89.99

Includes Fast Charge wall adapter and USB-C cable

Convertible - for use as a low profile pad or a convenient stand.
