

SAMSUNG

Gear VR with Controller
Powered by  **oculus**

Make your world bigger.

Samsung Gear VR¹ transforms virtual reality with a new handheld controller that seamlessly responds to organic, human movements in virtual experiences.² Every move, from turning and grabbing to pointing and lifting, is naturally connected from physical to virtual, making it more intuitive and spellbinding than ever before. Flying through the Alps, watching a film with a far-off friend, experiencing a festival across the globe, and employing the superpowers of your game's character—your world just got infinitely bigger.

MSRP: \$39.99

UPC: 887276217529

Part Number: ET-YO324BBEGUS

In the Box: Gear VR Controller, controller strap, 2x AAA battery

¹Read and follow all warnings and instructions included with the Gear VR before use. Gear VR should be adjusted for each user. Not for use by children under 13. Remain seated or stationary when using the Gear VR. Stop use if you experience any discomfort or health reactions. More at www.oculus.com/warnings. ²Compatible with the following Samsung Galaxy smartphones: USB Type-C: Galaxy S8, Galaxy S8+; microUSB: Galaxy S7, Galaxy S7 edge, Galaxy Note5, Galaxy S6, Galaxy S6 edge, and Galaxy S6 edge+. Galaxy smartphone sold separately.

Share the moment.

Get together with friends from far away by sharing moments with Gear 360, live streaming an epic gaming move, chatting, or watching films and shows together in Oculus Rooms.

Power moves

With a new Gear VR controller that's right in the box, you can explore, game, and navigate with organic movements. Drop, point, lift and move with total agility, and browse menus with more natural responsiveness.

Powered by  **oculus**

Oculus, the leader in virtual reality technology, regularly debuts new experiences like Hulu shows, guided meditations, language tutorials, and hundreds more in their already massive VR store.

Game on

Jump straight into the action of your favorite game and start throwing, steering, and aiming with the new, incredibly responsive handheld controller. Fresh titles like *A Night Sky* and *End Space*, plus multiplayer adventures, are added all the time.

Endless entertainment

Explore thousands of exciting 360° experiences from Samsung VR's premium video service. Lose yourself in street festivals around the world, snag front-row seats to a concert, or kayak through a protected rainforest. Plus, when you create stories of your own on Gear 360, you can upload and share them on Samsung VR.

Infinitely immersive

Place your Galaxy S8 into the Gear VR headset¹ to explore multidimensional worlds in virtual reality. Travel the planet, play games, and watch content with organic, intuitive responses through the handheld controller.
